

Academic Senate Executive Board Priorities 1/2

Shared governance and role of Senate, Senate committees and Faculty Councils as a system for faculty engagement and input.

- Deans of Faculty meeting presentation
- School-based by-laws to define relationship and work with respective FC's; defining the role of FC's in Faculty Handbook
- Faculty Council Task Force this spring semester (Elissa Grossman and Morgan Polikoff)
- Meetings with school faculty councils

Building faculty capacity for leadership and stronger shared governance

- Preparing the next generation of elected faculty leaders, committee chairs and program or department leads through a Faculty Leadership Fellows program, focusing on building knowledge of university structures, finance and processes
- Faculty Service database to allow us to better organize and memorialize faculty leadership work, to allow us to diversify faculty appointments and widen the faculty pool

Academic Senate Executive Board Priorities 2/2

Faculty wellbeing

- FEEC report; retreat topic
- Center for Work and Family Life, Lara Hilton
- Childcare support and re-opening of remodeled building for expanded child care capacity

Faculty salary and compensation

- Inflation, cost of living and merit raises, Committee on Finance and Enrollment (COFE)
- Request for one-time funding
- Salary floor and compression
- Accessing salary benchmarking data and accessing school-based salary data
- Merit review/annual review joint task force (Jessica Cantiello and Larry Picus)
